Dear Mr De Beer

**CONCERNS RELATING TO THE PROPOSED VACCINATION PROVISIONS IN THE DRAFT LEARNER  
ADMISSION REGULATIONS**

Thank you for your correspondence, dated 12 August 2025, regarding concerns arising from draft regulation 14 of the draft learner admission regulations.

Kindly note that the draft learner admission regulations were gazetted for public comment on 6 August 2025 and will only be finalised after careful consideration of all public comments received and after legal vetting by the Office of the Chief State Law Advisor. Accordingly, the draft learner admission regulations remain a draft and are not law.

My office will ensure that the comments detailed in your correspondence, together with any further comments that you submit through the prescribed channels, are considered as part of this process.

I take public comment processes seriously, as they are instrumental to the development of legally sound, implementable and inclusive regulations. I therefore would like to thank you for your contribution to the public comment process that is currently underway in respect of the learner admission regulations.

Yours sincerely,
